

When we plant  
trees, we plant the  
seeds of hope.

NO TREE!

NO LIFE!

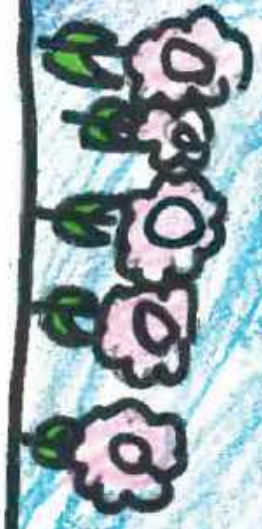

why we need trees: because  
They give you oxygen!

Day

Trees

are

important

because

They give people air

and

they

grow

apples.

I love  
trees

Food

We all need trees because the trees are homes  
for animals.

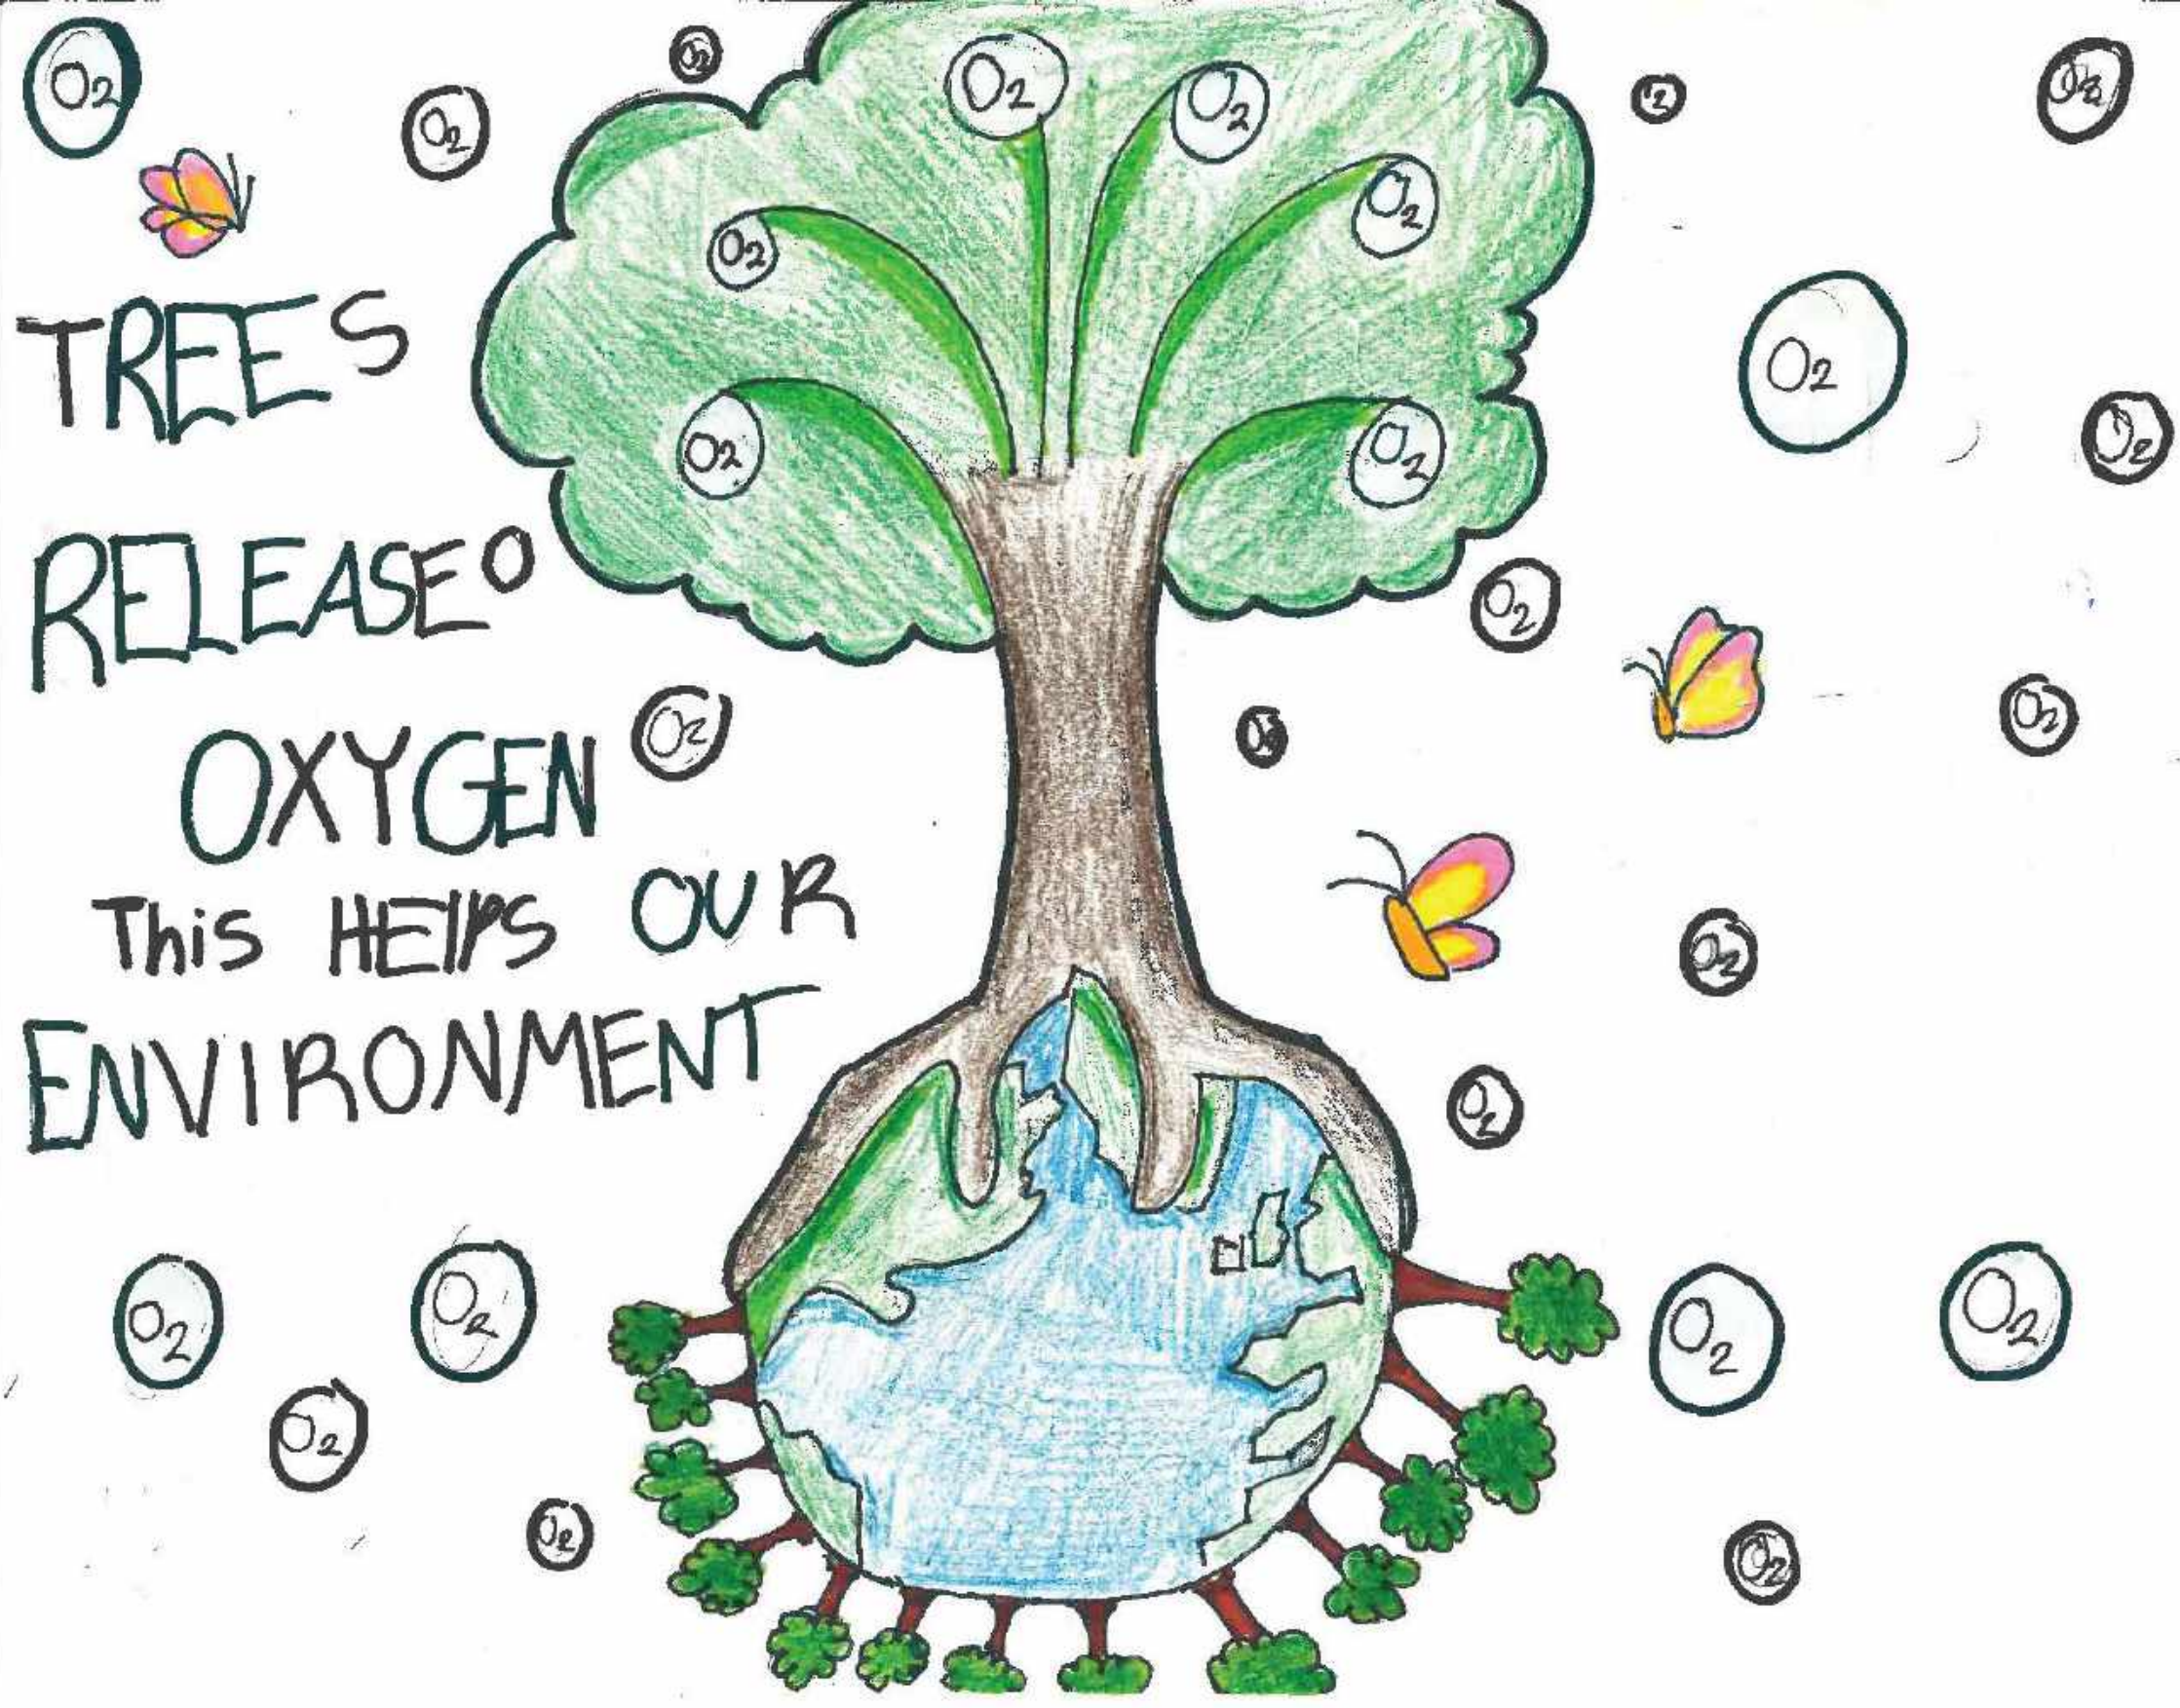

TREES  
RELEASE  
OXYGEN  
This HELPS OUR  
ENVIRONMENT

# Why We all need trees!

Without trees, the earth would have no life!

Trees are home to many animals, & deforestation causes them to lose their habitat

Trees produce & clean the air we breathe.

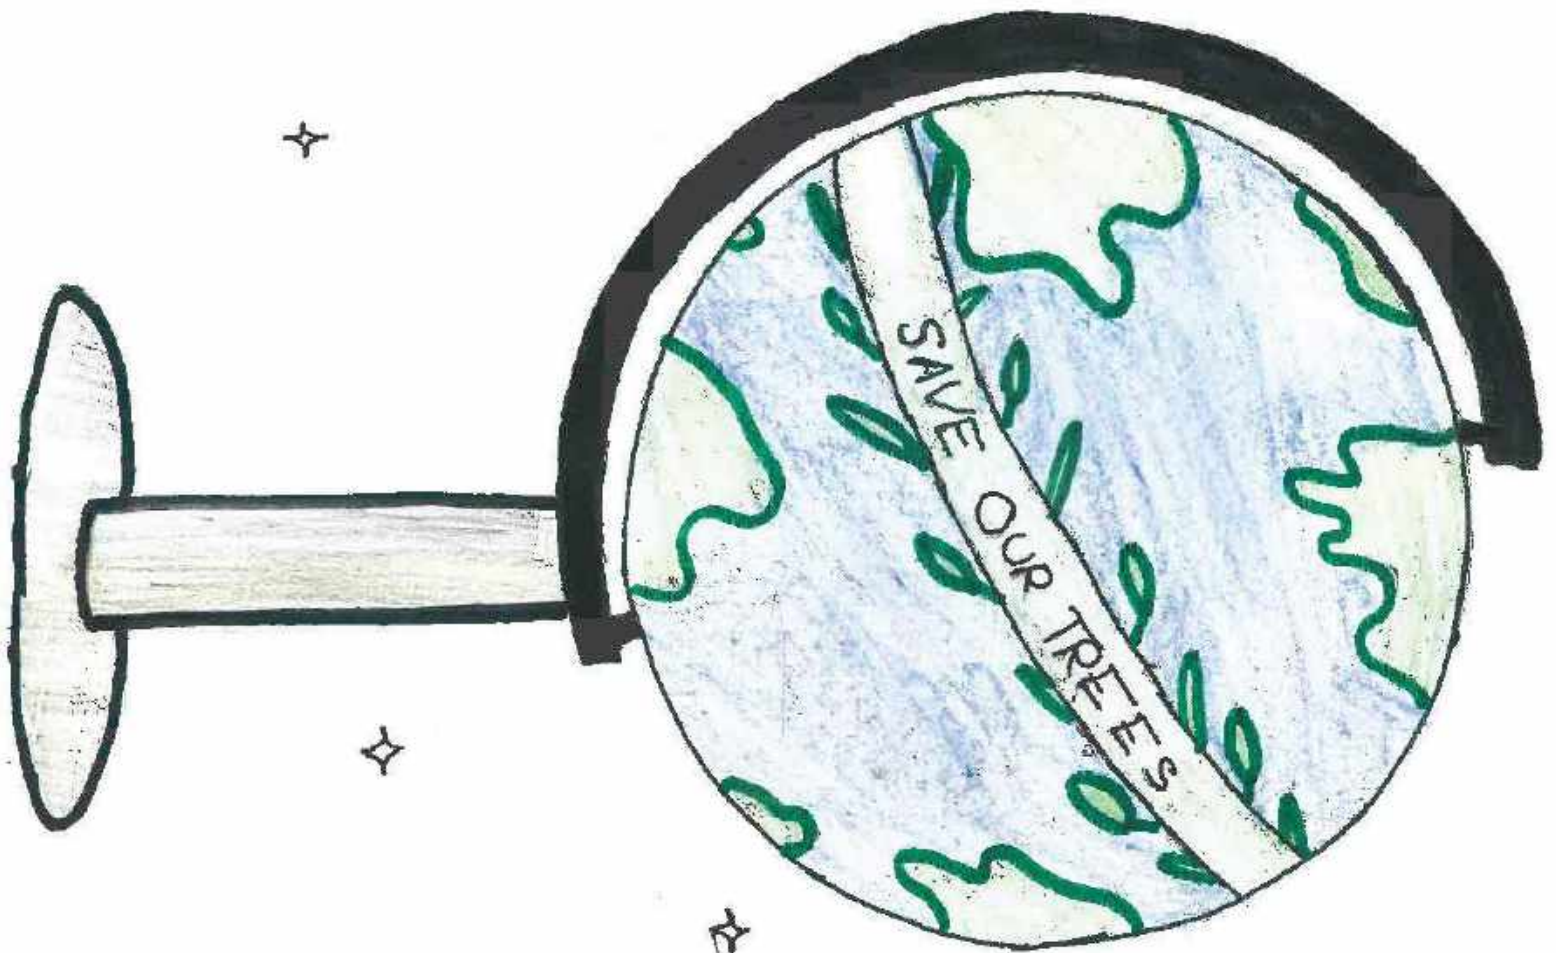

Trees give us food, like fruits

SAVE TREES

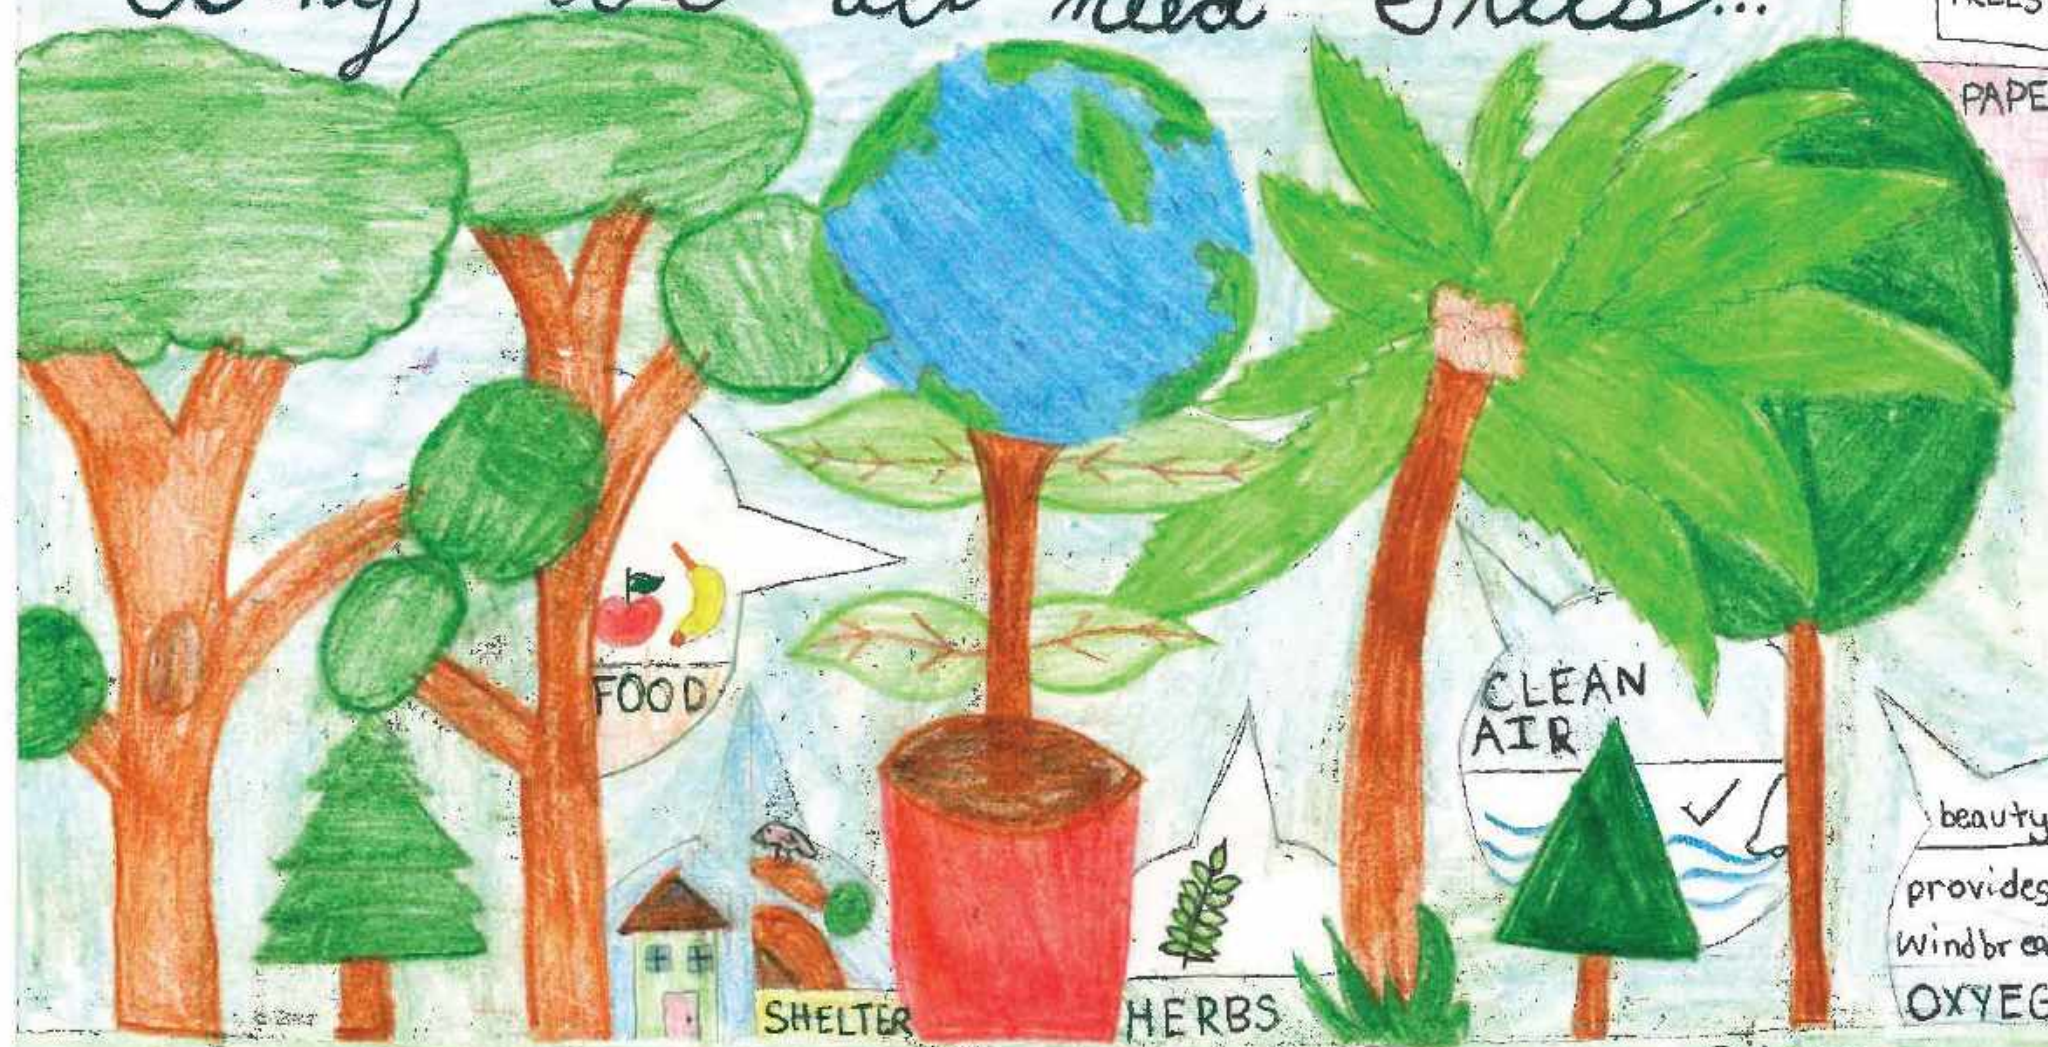

SAVE EARTH
