

LOW MAINTENANCE PLANTS

It can be challenging to plant a garden that is relatively maintenance free.

The plants featured in this brochure have been tested in the Secaucus Rain Garden, located in Mill Creek Point Park.

All the plants listed below and displayed in this brochure are drought and salt tolerant making them easy to grow and maintain.

- **Can Can Sneezeweed**
- **Zagreb Threadleaf Tickseed**
- **Blue Switch Grass**
- **Arkansas Blue Star**
- **Threadleaf Tickseed**
- **Satin & Lace—Red Chiffon**
- **Little Princess Spirea**
- **Winterthur Viburnum**
- **Snowmound Spirea**
- **Sugartina Crystalina Summersweet**
- **Farmington Michaelmas Daisy**
